

Corvanmere Trade

Company Profile

Corvanmere Trade arranges supplier sourcing, freight coordination and trade documentation for companies that import regularly but do not run a procurement department of their own.

Services

Sourcing: supplier shortlists, sample coordination and pre-order quality checks.

Freight: booking and tracking with established forwarders, sea and air.

Documentation: commercial invoices, packing lists, certificates of origin.

Engagement and payment

We quote per engagement and invoice on completion of each stage.
